COLMAN COYLE

With the healthcare market currently in a state of flux, our in-depth understanding of the sector could be vital in guiding you through a wide spectrum of legal issues - from buying or selling your business, financing and development of new projects, dealing with staffing issues or the regulatory minefield.

OUR EXPERTS

We pride ourselves on our ability to listen and our dedicated team of lawyers will take the time to learn about your individual needs before offering tailored solutions that will work for you. The Healthcare team is headed up by:

Simon Porter
Head of the Corporate and Commercial
Department
simon.porter@colmancoyle.com
020 7704 3410

Hema Anand
Commercial Property Partner
Hema.anand@colmancoyle.com
020 7354 3000

With our understanding of the working practices and legal rules that operate in the healthcare market, we have been delivering cost effective and practical legal solutions to our healthcare clients for many years.

We work closely with: • GPs • Dentists • Care Homes • Pharmacies

The advice we offer falls within the following key areas:

Corporate and Commercial

- Sales, mergers and purchases
- Management and partnership agreements
- Supplier contracts
- Bank security advice

Employment

- Contracts of employment and staff handbooks
- Employment issues arising from the purchase or sale of a business (TUPE)
- Tribunal and court representation
- Employing workers from overseas

Property

- Sales and purchases (freehold/ leasehold)
- Sale and leasebacks
- Planning advice
- New build projects and development

Regulation

- Impact and effects of NHS regulations
- GPHC concerns for pharmacies
- CQC compliance issues
- PCT matters for dentists
